

### **INTRINSYC ON A ROLL**

Intrinsyc Software Inc. of Vancouver says revenues in the six months ended Feb. 29 increased 39 per cent to \$833,805 from \$600,700 in the year-earlier period.

■ “Market awareness and acceptance of Intrinsyc’s products continued to grow in the quarter,” Intrinsyc president and CEO Derek Spratt said.

“We’re very enthusiastic about the progress Intrinsyc has made. We’re continuing to strengthen our team and we have also begun to roll out new sales and marketing programs as part of our over-all plan to grow the company.”

Intrinsyc provides e-business solutions for the emerging information appliance and Internet device market.
